

Message for U.S. Citizens – National Pedestrian and Cyclist Day
U.S. Embassy La Paz, Bolivia
August 28, 2012

This message informs U.S. citizens traveling to and residing in Bolivia that the Bolivian Government has declared the first Sunday of September each year to be National Pedestrian and Cyclist Day. This will affect business operations and activities throughout the country.

From 09:00 a.m. through 05:00 p.m. Sunday, September 2, no private vehicles or public transportation will be allowed on the roads without prior authorization (i.e., a special permit) from the relevant Mayor's Office.

Both domestic and international flights are expected to operate and taxis from the airport should be available, but may be more limited than usual. Officially, transportation services from the airport to La Paz will be restricted to the Airport Taxi Service and possibly to hotel shuttles. If possible, travelers should arrange plans to avoid travel to/from/within Bolivia on Sunday (September 2).
